

April 3, 1974

PRESIDENT: All right, you get one underlined bill. That has been the rule. I have not deviated from that. One underlined bill, and no more until we go through all the underlined bills. I have let nobody underline two bills to my knowledge.

SENATOR GOODRICH: But you are not even letting all of the underlined bills go through. To be voted on.

PRESIDENT: I don't understand you.

SENATOR GOODRICH: Well, 656, 649, ...

PRESIDENT: Senator, we went through that this morning

SENATOR GOODRICH: Now, you are bringing up bills that aren't even underlined, and you are saying they can take a preference to treatment.

PRESIDENT: You say we are taking up bills that are not underlined.

SENATOR GOODRICH: Yes, by substituting other bills, for underlined bill.

PRESIDENT: Oh, no. And an introducer can take off an underlined and underline a different bill. I don't see anything wrong with that do you? As long as he just has one bill.

SENATOR GOODRICH: Well, what is your ruling going to be then. On whether or not, 656, 649, and 127 can be debated today.

PRESIDENT: Well, they may, we might debate them today if we get through with all of General File.

SENATOR GOODRICH: All underlined bills on General File?

PRESIDENT: Well, the motion of Senator DeCamp was, that you all voted on one way or the other that they go to the bottom of General File. Was that right, Senator DeCamp? The Chair didn't make that ruling, that was a ruling by...Senator DeCamp.

SENATOR DECAMP: Mr. President, yes that's correct. That Senator Goodrich shouldn't have any problem because it's not on the bottom anymore. It's..there are at least 3 or 4 bills below it now. And he might get 30 votes to bring it up. I after we hhave finished the underlined bills...

PRESIDENT: If we get through all the underlined bills, anyone that wants to make a motion to bring those back, that's alright with me, if can just get the votes. But that motion was made by Senator DeCamp, and voted on by this body. And the Chair had nothing to do with it. Senator Nore.

SENATOR NORE: Mr. Chairman, and members I think we should realize tht 646, 649 and 127 have had their day in court, and now the rest are having their day in court. Let's not forget that.

PRESIDENT: That's a day in court. Senator Whitney.

SENATOR WHITNEY: Mr. President, it seems to me that the vote this morning was to take up the underlined bills, which means that nobody
